

BODY SHAPING UNDERGARMENT

CONTENTS: 2 pairs of Slim 'n' Lift™ Body-shaping Undergarment
80% NYLON / 20% ELASTANE

Please note, the nature of the fabric used in this product means it has a lot of stretch. If you find the garment a little tight, then simply lay it flat, insert both hands and pull apart. Repeat this several times and the fabric will relax to give you a more comfortable feel.

Breakthrough Design!

- Made of NEW free-breathing easy-to-wear micro-fibre fabric!
- Fits like second skin, feels like normal underwear!
- Clothes fit better and look better!
- Detachable support straps never roll down
- Discreet split opening for ease & comfort
- All day comfort & control

Wearing Your Silhouette Supreme Slim 'n' Lift™

1. Hold waistband and roll down to crotch gusset.
2. Insert your legs and slowly roll leggings up thighs and roll waistband to your hips.
3. Insert your hand and lift buttock to desired position.
4. Adjust Slim 'n' Lift™ from below the bust line to above the knee line.
5. Attach support straps and adjust the length appropriately or
6. Tuck the triangular flaps into the pockets when not using the straps.
