

Wonder Step™ Mat

Congratulations on your purchase of **Wonder Step™** – the Wonderful Mat designed to be used outdoor and indoor. **Wonder Step™** can trap dirt, mud, sand, snow and water and prevent them from entering your house. **Wonder Step™** also comes complete with a high-quality non-slip PVC backing for a firm grip that won't slip.

IMPORTANT: PRE-WASH MAT BEFORE FIRST USE!

To activate the super absorbent fibers in **Wonder Step™**, you need to put it through a wash cycle without adding in detergent or fabric softener before first use. The mat will NOT absorb well until it is washed and dried.

Care Instructions:

- Hand wash then hang to dry, or spread the mat in the shade until dry.
- Machine wash cold below 30°C in delicate cycle then tumble dry in low heat less than 50°C.
- Use mild detergent only.
- Do not use bleach, abrasive solutions, fabric softener, these may destroy the product ability to clean.
- Do not iron, do not dry clean.
